Dear WCS Parent/Guardian,

We are off to a great start this school year! We're praying that this will be the best year yet for our students! The WCS Parent-Teacher Fellowship (PTF) is busy planning many fun events and activities for our students throughout this year. As we do so, we'd love to invite you to be involved.

Our main goal as the PTF is to help meet the needs for students, teachers, and staff at WCS. Much of this would not be possible without your help. Some of the events that the PTF will be overseeing this year include: Fall Festival, Pastries with Primary Students, Donuts with Grownups, Teacher Appreciation Week treats and much more.

Please take a moment to complete this sheet and return it to your child's teacher.

You only need to complete one form per family.
